

# **GFE Accu-Rate**

## **Precision good faith estimates.**

New RESPA rules and the Mortgage Reform Act of 2009 require more disclosure to borrowers early on in the home lending process. These regulations provide stiff penalties for significant inaccuracies. GFE Accu-Rate allows you to customized the fee quote to your particular transaction giving you exactly what you need - a precise GFE. However, accuracy is not the only calling card of GFE Accu-Rate, it also allows you to produce these quotes instantly without making a phone call or sending a single email. There is no waiting. Check out GFE Accu-Rate 24/7 and get your instant GFE fees by visiting
