

The New Chicago Title Rate Schedules Have Gone Green,

See Them Now on Premier Services.

Chicago Title now offers our Southern California Fee Schedules under the “Quick Menu” on Premier Services. This new access point allows you to provide decisive title fee quotes while saving our valuable natural resources. Simply log on to Premier Services as usual, look for the Quick Menu, and click on SoCal Title Rate Book.

Chicago Title continually offers innovative products and services to help you work more efficiently and reduce your carbon foot print. Call me with any questions or to sign up for Premier Services if you are not yet a member – let me show you today how our products and services can work for you.
