**Moving into a new home in a new area can be pretty exciting!
But finding the right utility companies isn't. Let Chicago Title
help you find the right utility services in your area.**

Your new buyers are probably wondering who to contact to get their utility services started. Chicago Title has compiled this helpful website just for you. Go to **www.ChicagoTitleUtilities.com**. Log in using your Premier Services username and password, then select the city or area. You will find utility information for most Southern California cities on our new guide.

Chicago Title is proud to be a part of your transaction
and look forward to another successful closing.
