Centroid Farms - Create a new farm around a property address from a half mile to 5 miles around.

The screenshot shows the 'Property Information' form with a 'Pull Centroid Farm' dialog box open. The dialog box has a 'Name' field, a 'Radius' dropdown set to '1/2 Mile', and 'Create Farm' and 'Cancel' buttons. A red arrow points to the 'Name' field. Below the dialog box, there are three buttons: 'Save', 'Back', and 'Pull Centroid Farm'. A red arrow points to the 'Pull Centroid Farm' button.

**From any record, click on
"Pull Centroid Farm",
then select a name
and size for your farm,
and click CREATE FARM**
