Integrated Property Tax Estimates

A New Feature Offered by **ChicagoAgent ONE**

ChicagoAgent One now offers integrated property tax estimates.

What is **HOMELINK** ?

Homelink allows you to pull property tax information automatically by just plugging in an address!

When you add an address to your estimate, Homelink pulls the yearly taxes from county records and automatically adds them to the tax field.

Available Chicago Agent One Mobile App and Desk Top Versions.

How do I get property tax estimates?

- 1 Open Chicago Agent One on your mobile device and log in.
- 2 Select **BUYER** or **SELLER** from the bottom menu.
- 3 On the calculator, click on **Add Address** at the top and enter the property address.
- 4 The estimated property tax will display for Both the Buyer's and Seller's estimate
- 5 Click **DONE** to enter the amount(s) into the estimate.
